

POWER CLEANSE HAND CLEANER WITH LANOLIN

USER BENEFITS:

- **WATERLESS**
- **EFFECTIVE**
- **PLEASANT SCENT**
- **PROTECTS SKIN**
- **SAFE**

POWER CLEANSE is a waterless hand cleaner that is very effective at removing a wide variety of tough stains and dirt. It protects skin from drying and cracking while its pleasant scent helps eliminate offensive odors.

POWER CLEANSE Is Waterless

POWER CLEANSE Hand Cleaner is ideal for use where water is not convenient for cleaning soiled hands. Its unique formulation is ideal for mechanics, roofers, oilfield and construction workers.

POWER CLEANSE Is Effective

Many hand cleaning products have difficulty effectively removing grease, asphalt, printer's ink or petroleum products. POWER CLEANSE penetrates these stains and effectively cleans the skin. Just place a small amount on dirty hands and rub. The cleaning action begins immediately. Wipe hands clean with a rag or towel. The problem stains are removed and the skin is made clean.

POWER CLEANSE Has Pleasant Scent

Many times, petroleum and other materials will leave strong odors on hands and skin.

POWER CLEANSE Hand Cleaner is effective and pleasant to use.

To effectively neutralize these odors, POWER CLEANSE Hand Cleaner has a pleasant banana scent.

POWER CLEANSE Protects Skin

Many of the products that clean hands quickly cause the skin to dry and crack. POWER CLEANSE Hand Cleaner contains lanolin to protect skin. Using the product regularly will prevent drying and cracking, leaving hands soft.

POWER CLEANSE Is Safe

POWER CLEANSE Hand Cleaner is completely safe to use just as it comes from each 4½ pound container or 15 ounce tube. It will not cause any irritation of the skin. In addition, the product is biodegradable and will not harm the environment in any way.

POWER CLEANSE Also Available With Pumice

POWER CLEANSE *with Pumice* is available in a case of 6 - 4½ lb. containers only. Pumice (or grit) is preferred by some to ensure the removal of ground in dirt and grime. Now you have a choice of pumice or not in POWER CLEANSE HAND CLEANER.

POWER CLEANSE

4.5 Lb. With Hand Pump

- A hand pump designed to fit each 4.5-lb. container is included FREE inside every case of POWER CLEANSE and POWER CLEANSE WITH PUMICE.

Tubes

- Regular POWER CLEANSE is available in 15-ounce tubes. Twelve tubes per case. Ideal for tool box, glove compartment or other small spaces.

Wall Dispenser

- A deluxe wall-mounted dispenser designed to fit the 4.5-lb. container may be purchased at a small additional charge. Shipped separately.

SPECIFICATIONS

POWER CLEANSE Hand Cleaner
