

SUPER-EEZ PENETRATING OIL

- **PROVIDES LUBRICATION**
- **DISPLACES MOISTURE**
- **PROVIDES E.P. PROTECTION**
- **A RUST BUSTER**
- **CONTAINS RUST & CORROSION INHIBITORS**
- **FOR USE IN MANY APPLICATIONS**

SUPER-EEZ PENETRATING OIL Provides Lubrication

One feature of SUPER-EEZ PENETRATING OIL is lubrication. It provides a light lubricant to parts while in operation - - - doors, hood hinges, locks, door openers, utility equipment - - - the uses are almost unlimited. It is a product the equipment operator or maintenance person cannot afford to be without.

SUPER-EEZ PENETRATING OIL Helps Displace Moisture

SUPER-EEZ PENETRATING OIL has a deep penetration capability. The product will creep into tight places to provide a non-drying protective film of oil as well as rust and corrosion preventive chemistry. A portion of the product does contain a solvent film. The ability to displace any moisture helps prevent rust and corrosion problems. This is an important property of SUPER-EEZ PENETRATING OIL.

SUPER-EEZ PENETRATING OIL is formulated to “crawl” into the tightest of places and to lubricate, dissolve rust and quickly free frozen parts.

SUPER-EEZ PENETRATING OIL Helps Provide E.P. Protection

SUPER-EEZ PENETRATING OIL has the ability to provide extreme pressure protection. The extreme pressure protection should provide protection against metal to metal contact as nuts and bolts are being assembled or disassembled.

SUPER-EEZ PENETRATING OIL A Rust Buster

Texas Refinery Corp.'s SUPER-EEZ PENETRATING OIL is an excellent rust buster. In fact, this is an area where the product excels. Within a very short period of time the high detergent action allows the disassembly of “frozen” parts. This can eliminate many headaches for both the maintenance man as well as the equipment operator.

Having Texas Refinery Corp. SUPER-EEZ PENETRATING OIL is a lot better than putting a

cheater bar on the end of the wrench. SUPER-EEZ PENETRATING OIL makes removal of rusted nuts and bolts simple.

SUPER-EEZ PENETRATING OIL **Contains Rust & Corrosion Inhibitors**

Texas Refinery Corp.'s SUPER-EEZ PENETRATING OIL also provides corrosion and rust protection. It contains rust and corrosion inhibitors as well as being an excellent penetrant to dissolve rust on nuts, bolts, parts and other rusty metals. The combination of superior quality oils and excellent additives offers exceptional anti-rust and anti-corrosion capabilities.

SUPER-EEZ PENETRATING OIL **For Use In Many Applications**

The uses for Texas Refinery Corp.'s SUPER-EEZ PENETRATING OIL are quite varied. Industrial accounts could use the product to free parts, provide light oil lubrication, provide lubrication to mowers and power tools, and clean some parts while in operation.

Heavy equipment operators will most often use the product in rust busting and to free stuck parts. Many other companies can use the product. Uses might include gun shops, machine shops, rental companies, schools, repair shops, heating and cooling industry, marine industry, construction and many, many more.

SPECIFICATIONS

SUPER-EEZ PENETRATING OIL

Product Code #	6555
Specific Gravity	0.82
Wt./Gal.	6.83
Color	Light Amber
Odor	Mild Solvent
Flash Point, °F.	160
Calcium, Wt. %	0.10
Magnesium, Wt. %	0.02
Zinc, Wt. %	0.05
E. P. Compounds	Present
Penetrating Value	Excellent
